**RE: Chopped Romaine Lettuce linked to E. coli O157:H7**

**Valued Clients:**

**The CDC has reported E. Coli linked to Chopped Romaine grown in Yuma, Arizona ONLY. As of today, the CDC has YET to issue a recall on product coming from Yuma, AZ.**

**Our Edible Cuts label Chopped Romaine Lettuce AND Mixed Chopped lettuces are grown from the California region.**

**Please feel free to contact us directly should you have any further questions or concerns. We also welcome you to visit [cdc.gov](http://cdc.gov) for more information.**

**We will keep you apprised of any further developments.**

**Thank you,**
