**INDUSTRY RECALL: Dole Recalls Packaged Salads due to Possible Health Risk from Listeria monocytogenes.
Midwest Foods is NOT involved in this recall**

January 10th, 2022

Dole Fresh Vegetables, Inc. is voluntarily recalling all packaged salads processed at its Springfield, OH and Soledad, CA facilities containing iceberg lettuce, due to a possible health risk from Listeria monocytogenes.

Products that are subject to the recall from Springfield, OH have a product lot code that begins with the letter "W" and a "Best if Used By" date between December 22nd, 2021 and January 8th, 2022. Products subject to the recall from Soledad, CA have a product lot code that begins with the letter "B" and a "Best if Used by" Date between December 23rd, 2021 and January 8th, 2022. A complete list of products subject to this recall are available from FDA.gov, [here](#).

Dole retailers have been advised to check store shelves and warehouse inventories to confirm that no recalled product is available for purchase by consumers. No other Dole products are a part of this recall.

Consumers are able to contact the company's Consumer Response Center by calling 800.356.311.

Once again, **Midwest Foods is NOT involved in this recall**. If you have any other questions please reach out to your Business Development Associate or contact customer service at 773.927.8870
