**INDUSTRY RECALL: Patagonia Foods is Recalling IQF Blackberries due to Hepatitis A  
Midwest Foods is NOT Associated**

March 22nd, 2023

Patagonia Foods is recalling their 30 lb frozen IQF Blackberries following a positive test for Hepatitis A. The affected lot number is 20422. No other lots are affected by this recall. At this time there have been no illnesses reported in connection with these products.

Once again, Midwest Foods is NOT associated with these recall.
