**INDUSTRY RECALL: Hearn Kirkwood Issues Safety Alert on Croissant Sandwiches due to Undeclared Soy and Milk
Midwest Foods is NOT Affected**

November 9th 2023

Hearn Kirkwood is issuing a voluntary recall due to undeclared soy and milk, which are potential allergens in their produce. 5,895 clamshell containers of various Croissant Sandwiches are affected by the recall. The affected product was distributed between October 20th , 2023 and November 3rd, 2023. Customers with allergies or sensitivities to soy and milk could experience a reaction and should not consume the product.

Once again, no Midwest Foods product is affected by this recall.
