**INDUSTRY RECALL: WILLIAMS FARMS REPACK RECALLS TOMATOES SHIPPED BY H&C FARMS
BECAUSE OF POSSIBLE SALMONELLA CONTAMINATION**

Midwest Foods is NOT Associated with this Recall

May 5th, 2025

Williams Farms Repack LLC is voluntarily recalling select tomato products due to potential Salmonella contamination. This recall follows a notice from H&C Farms, the original shipper of the affected tomatoes. The advisory is being initiated due to the possibility of contamination with Salmonella. No illnesses have been reported at this time.

Williams Farms handled distribution of the recalled tomatoes, which were originally shipped by H&C Farms. The recalled products include:

5x6 25lb
6x6 25lb
4x4 2-layer
4x5 2-layer
60ct 2-layer
60ct 18lb loose (2-layer box)
XL loose (2-layer box)
14-3ct trays (25lb box)

Affected lot numbers include R4467 and R4470, and product was first shipped on April 23, 2025.

Midwest Foods is NOT associated with this recall. This does not affect our operations, as the product in question is not part of our regular offerings. If there was any possibility that a party could have received this product from us, they have been contacted directly.
